NEW MEASURES IN FORCE FROM 18.05.20

In addition to these indications, we maintain take-away services (Godinho's street, n° 317) and home deliveries in Porto as usual, and we also appeal to two situations:

- Preferential payment per MB;
- Avoid circulation through space, restricting only to the minimum necessary.

Finally, we alert you to the mandatory use of a mask until you reach your table and whenever you walk within the establishment.

We hope that everyone understands the implementation of these measures that aim at the protection and security of all.

We have a long challenge ahead of us and we believe that together we will win!

Grateful for understanding,

MAJÁRA's Team
